

NIOSH, CDC, FDA Approved

Model No. **HP-GIKO 1200H N95**

N95 Particulate Respirator

Product Description:

NIOSH, CDC, FDA approved particulate respirator mask. (95% filter efficiency level). Effective against particulate aerosols free of oil (with diameter more than 0.3 mm). Main materials: spunbond 20%, meltblown 35%, needle punched cotton 45%. One size fits most.

Instructions:

Hold respirator in hand with nose clip at your fingertips and let the straps hang downwards below hand. Place the respirator under the chin with the nose clip upwards. Pull the upper strap over the top of your head and then pull the shorter lower strap to the back of your neck, below the ears. Push the nose clip inwards with your fingertips to conform to the shape of your nose.
